SR-163 Sewer Pipeline Rehabilitation CONSTRUCTION ADVISORY

Overnight Closure of State Route 163 on August 20th and August 21st

Details for August 20th through August 21st, 2011

What: SR-163 Full Closure on August 20th, and Full/Partial Closure on August 21st

Overnight Freeway Closure	
August 20, 2011	August 21, 2011
Friday beginning at Midnight 12 a.m. to Saturday 9 a.m.	Saturday beginning at Midnight 12 a.m. to Sunday 8 a.m.
Full Closure of SR-163 North and South bound lanes from Interstate 8 to A Street.	Full Closure of SR-163 North bound lanes from Interstate 8 to A Street. Only one lane open on SR-163 South bound from Interstate 8 to A Street.

Why: The 45-year-old Cabrillo Trunk Sewer that runs through Balboa Park along State Route 163 is in need of rehabilitation after damage caused by age, tree roots and breaks. This project will restore the structural integrity of the pipe, inhibit root infiltration, reduce maintenance costs, and extend the life of the sewer main for another 50 years. To see a map of the project, please visit the [project's Web page](#).
